

## OUR VISION

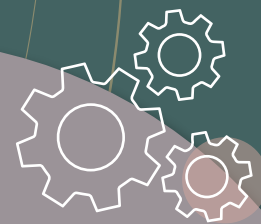

We are opening new markets for our export, expanding our imports and networking fooders from all around the world.

## OUR PRODUCTS AND SERVICES

**Commodities:** Sesame, Cardamom, gum olibanum, cumin seeds, fennel seeds, dry jaw, dry mint, dry lemon, dry lemon powder, pomegranate peel and powder, white beans, faba beans, red beans, chickpeas.

**FMCG:** chocolates and beverage resources from Turkey, Poland, UK.

## OUR PEOPLE

We have many resources from different countries like Egypt, Ethiopia, Sudan, China.

## OUR CORE BUSINESS

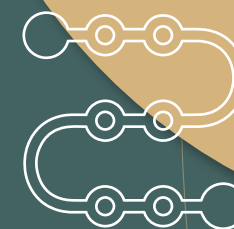

We supply pulses, grains and herbs and we market all type of food within our databases.

## TIMELINE

We have been exporting since 1972-2001 all types of food supplies in downtown sugar market in Amman Jordan, we have succeeded in expanding markets of imports with least resources we succeeded to provide Jordanian market with all necessary products.

- **2001-2011** founder Riad baba took a great pivot in business and started to work in unique, exotic products and he succeeded to expand imports and exports to international trades.
- **2011-current** we developed a new FMCG line and now expanding the brand for packing the exotic and unique products and serving it to your hands.

## OUR TEAM

Bunch of people with visions from all parts of the world from supplier, traders to wholesales.
